Re: Case Management**

IT IS HEREBY STIPULATED¹ by and between the parties hereto through their respective attorneys of record that the pending Case Management Conference currently set for June 29, 2012 in Courtroom 10, 19th Floor of the U.S. District Court for the Northern District of California should be reset.

The Defendants in *Richards v. Harris I (Rohnert Park)*, Case No.: 3:11-CV-02493 SI have a motion to dismiss under submission that has been fully briefed and was argued on May 4, 2012. The parties believe that it would be a more productive use of the Court's time and resources to have the Case Management Conference after a ruling on the motion to dismiss has been issued

Accordingly, the parties propose that the Court reset the Case Management Conference to some date after the Court anticipates releasing its order from the May 4, 2012 hearing.
